BANGALORE

A Place to live in...

Bangalore is the place where you can cherish to live in and love to own. You may be a software engineer or a Govt. employee or an entrepreneur or a person who has retired for a sedate and peaceful life. We have one that suits you the best. Here we are in endeavor to make your dreams come true. An irresistible and once in a while offer to suit your taste, class and of course your budget. Bee-hive activity is happening in Bangalore and swarm of professionals and prospective business corporate mogul's vying for an entry and stead. As it is popularly said, 'Early bird catches the prey'. Swifter you act richer you end up. So let's have a go!

The ABD Group has constantly and consistently scaled new height and set new benchmarks in performance, customer service and delivery. For us every day is a new challenge. ABD Group's "ANTILIA" is the glory of additional mile stone in the journey of real estate. Spread across 10.5 acres of ample greenery by promising a lifestyle of peace, tranquility and comfort. Situated at North Bangalore, Sahakara nagar off Airport Road, Kodigehalli Main Road, these plots are not only cut from the hustle bustle of the concrete jungle but are also aesthetically well designed.

"ANTILIA" has a wealth of AMENITIES that include

- Swimming Pool with Club house
- Round the clock security
- Asphalted black top roads with plantation
- Water supply with overhead tank
- Landscaped Garden
- Children's Playground
- Well planned Electricity with street lights
- Rain water drains Rain water harvesting
- Jogging Tracks
- Avenue Plantation

Perfect Harmony with Class & Aesthetics
